

UnHoly

This Divine Favor is a power highly sought after by the wicked. The mantle of "UnHoly" will give a dark blessing to any who obtain it. If this dark blessing is granted, he or she will be gifted with the following adjustments and abilities:

1. Holy Detection: Detect Holy creatures with a strong feeling of discomfort. The exact location will not be known, but the UnHoly one will know assuredly that Holy near.

Range: 1 space (5') per 10 levels advanced.

Duration: 1 turn (5 seconds) per level advanced.

Ability-points to invoke: 50

2. Prayer: Gives a 1% x his or her current level to bring down the dark blessings of Goroeth, causing x2 damage vs. Holy creatures.

Ability-points to invoke: 100

3. UnHoly Damage: Inflict +1-D10 damage vs. Holy creatures (mental, physical, or spiritual). This ability is passive, and is always in effect.

4. UnHoly Wrath: +1 attack per turn added to the current number of attacks per turn you have.

Adjusted damage: +1-D20 damage per 5 levels advanced.

Duration: 1 turn (5 seconds) per 3 levels advanced.

Ability-points to invoke: 50

Modification Point cost: 200
