

Enchanted Items, Explanation of: Ring, Shielding

Area of Effect: Wearer only.

Avoidance-roll: None.

Charges: 1-D10

Command word(s): Shakka (Vosk Elf for: Shield).

Damage: None.

Duration: 24 hours.

Effect time: 1 turn (5 seconds)

Explanation: Upon a command word this Ring will emit an invisible, flexible, field of magic about its wearer.

This magic will cover the wearer of the ring in a steel-plate-like armor, protecting the wearer as if he or she had donned a set of plate armoring.

Roll on the following chart to see the durability of the Shielding Ring:

%Roll: Durability of Shielding Ring:

01-48: As gage-steel plate armoring.

49-58: As shank-steel plate armoring.

59-67: As krakkin-steel plate armoring.

68-75: As Earthen-steel plate armoring.

76-82: As Admontanium-steel plate armoring.

83-88: As Krannik-steel plate armoring.

89-93: As Starr-steel plate armoring.

94-97: As Mystical-steel plate armoring.

98-00: As Koar-steel plate armoring.

Each type of shielding will also have a certain number of damage-points which must be damaged through before the imbiber is actually wounded. Once damage-points reach zero in any one of the areas it is protecting, the entire effects of the ring will be negated.

%Roll: Durability of Shielding Ring:

Gage-steel plate:	400
Shank-steel plate:	600
Krakkin-steel plate:	800
