Description:

Annihilation Strike?: No.

Description: This creature appears to be a huge Black Bird.

Eye color: Black.

Eye shape: Large and round.

Feather color: Ashen-black with a slight glint of rainbow hue that reflects from its feather in the light.

Height: 9'-0"

Length: 12'-0"

Posture: Avian (like a bird, or relating to the family of birds).

Weight: 400 lbs.

Wing contour: Bird.

Wingspan: 27'-0"

Dislikes: Thieves.

Disposition: The Giant Raven is a raptor. It makes its nest in the topmost boughs of the largest sturdy trees, and other places of security. They become loud if something approaches their nests, and will defend it, but only to a point.

They lay from 1-D6 (roll 1-D6) eggs each year. If a nest is found in the springtime there will be a 25% chance that eggs will be found within it. There will be a 50% chance that the eggs will have already hatched.

Ravens are of a cunning nature, always watchful for a reason . . . they remember. This breed of Raven is sentient; brilliant by average human intelligent standards.

Fears: Other giant predatory birds (raptors).

Habitat: This creature inhabits many regions.

Immunities: None.

Life-span: 250 years

Likes: Treasure of any kind, especially items they can use.

Needs: Basic needs of life (food, water, shelter, etc.).

Note: None.

Special Abilities: Language Perception: This creature can speak the Human language.

Modification-points: Each will have modification-points as follows: $3\text{-D}20 + 2\text{-D}6 + 1$ per 2 levels advanced (exactly as a player character rolls for modification-points each level). These points can be used to learn any thief ability, but all prerequisites must be met for building this creature encounter.

Special Defenses: As abilities gained by using modification-points to learn them.

Special Offenses: As abilities gained by using modification-points to learn them.

Susceptibilities: None.

Weapon susceptibility: Rank-0 (or better) weapon to harm.
