

# Insect Creature Studies

This study will give a basic knowledge of one Insect Class creature (not different breeds of Insects within a species).

Modification Point cost: 2

## Information known about a specific Insect will be:

Characteristics (Awareness, Charisma, Constitution, Coordination, Dexterity, Intelligence, Mental-strength, Strength and Wisdom), Description, Dislikes, Disposition, Fears, Habits, Immunities, Life-Span, Likes, Needs, Special Abilities, Special Defenses, Special Offenses, Susceptibilities and Weapon Susceptibility.

## Example:

If you chose Insect Creature Studies, and pick a Centipede, you would have to specify exactly which breed of centipede you wished to have knowledge about (i.e., Giant Centipede, Giant Poisonous Centipede, Etc.).

This ability can be purchased multiple times to have knowledge on many different breeds of insects.
