

Focus Initiative

This ability will allow you to use your luck to ADD or SUBTRACT from your initiative dice-rolls.

Focused Initiative

+1 or -1 on initiative rolls

Modification Point cost: 10

Advanced Initiative

+3 or -3 on initiative rolls.

Prerequisite: Focused Initiative

Modification Point cost: 20

Adept Initiative

+5 or -5 on initiative rolls.

Prerequisite: Advanced Initiative

Modification Point cost: 30

Master Initiative

+7 or -7 on initiative rolls.

Prerequisite: Adept Initiative

Modification Point cost: 40

Grand Masters Initiative

+9 or -9 on initiative rolls.

Prerequisite: Master Initiative

Modification Point cost: 50

Notes

This ability is usable only a certain number of times per 24 ours. To determine how many times Focus Initiative can be used per 24 hours merely divide your current Luck by 10 and round down.

This ability does not stack. Example: When you learn "Advanced Initiative", it will replace the +1 or -1 to initiative rolls; you will only have the +3 to -3 to initiative rolls.
