Description:

Annihilation Strike?: No.

Description: This creature appears to be a very large Black Bird.

Eye color: Black.

Eye shape: Small and round.

Feather color: Ashen-black with a slight glint of rainbow hue that reflects from its feather in the light.

Height: 1'-4"

Length: 1'-10"

Posture: Avian (like a bird, or relating to the family of birds).

Weight: 3 lbs.

Wing contour: Bird.

Wingspan: 4'-0"

Dislikes: Thieves.

Disposition: The Raven is a raptor. It makes its nest in barns and trees -- wherever seems a good place to do so.

They become loud if something approaches their nests, yet will very rarely defend it.

They lay from 1-D6 (roll 1-D6) eggs each year. If a nest is found in the springtime there will be a 25% chance that eggs will be found within it. There will be a 50% chance that the eggs will have already hatched.

Ravens are of a cunning nature, always watchful for a reason . . . they remember. They are also noisy as times, cawing and squawking noisily after their own, or for their master's attention if they have one.

Fears: Other predatory birds (raptors).

Habitat: This creature inhabits many regions.

Immunities: None.

Life-span: 25 years

Likes: Shiny objects. The Raven is a thief, bluntly stating the fact. They love coins, jewelry and all manner of treasure. They especially love gems.

Needs: Basic needs of life (food, water, shelter, etc.).

Note: None.

Special Abilities: Language Perception: This creature has a 5% chance of having the natural ability to understand the Human language, though it cannot speak it in return unless it has the ability of "Speech" (see below).

Modification-points: Each will have a 10% chance of having modification-points as follows: 2-D6 level advanced. These points can be used to learn any thief ability without having to learn prerequisites. These abilities will be limited to the following:

Climb Structure

Discover Trap (though they cannot disarm a trap)

Move Unseen

Pick Pocket

Speech: If a Raven's tongue is cut, split carefully up the center from the tip, it can be taught to speak, mimicking words and phrases taught them.

Special Defenses: As abilities gained by using modification-points to learn them.

Special Offenses: As abilities gained by using modification-points to learn them.

Susceptibilities: None.

Weapon susceptibility: Rank-0 (or better) weapon to harm.
