Note:

After rolling the character type, go to the scroll section and roll up the ability/spell randomly.

Chart #3

Protection Scrolls:

If one reads a Protection Scroll, the magic of that scroll will protect him or her to a certain degree (% chance), for a certain amount of time.

The Protection Scroll takes 1 turn (5 seconds) to read, but must meet the prerequisites to be able to read it.

On the beginning of the following turn, after reading the scroll aloud, the reader will have a measure of protection for a certain amount of time.

Roll on Chart #4 to know the "Protection Power" of each and every Protection Scroll found:

Chart #4
