

Undead Creature Studies

This study will give a basic knowledge of one Undead Creature Class (not different types of Undead Creatures).

Modification Point cost: 2

Information known about a specific Undead Creature will be:

Characteristics (Awareness, Charisma, Constitution, Coordination, Dexterity, Intelligence, Mental-strength, Strength and Wisdom), Description, Dislikes, Disposition, Fears, Habits, Immunities, Life-Span, Likes, Needs, Special Abilities, Special Defenses, Special Offenses, Susceptibilities and Weapon Susceptibility.

Example:

If you chose Undead Creature Studies, and pick a Skeleton, you would have to specify exactly which type of Skeleton you wished to have knowledge about (i.e., Black Skeleton, Harrowlith Skeleton, White Skeleton, Etc.).

This ability can be purchased multiple times to have knowledge on many different types of undead creatures.
