

Nature Awareness

Basic

Prerequisite: None.

Modification Point cost: 3

Gives one a sense of oncoming changes in the weather. It also the feeling that the change of season has just begun.

An avoidance-roll vs. "Awareness" = success.

Innate

Prerequisite: Basic

Modification Point cost: 4

Gives the sense of something not right, or a sense that all is as it should be in nature. An avoidance-roll vs.

"Awareness" = success.

Gifted

Prerequisite: Innate

Modification Point cost: 5

Gives the sense that natural, powerful, occurrences within nature are imminent (i.e., drought, earth warming, earthquake, falling star, flash flood, flood, hurricane, ice age, monsoon, mud slide, tornado, etc.). These happening are the real forces at work in nature, and are powerful. An "Awareness" Check = success.
