

# Age, height, weight, skin, hair, eye color determination

To figure out the AGE, HEIGHT and WEIGHT of the race your have chosen, go to the **R Section** of the Creatures Book and look up your specific race type. Once you have found your race, go to the "Description" section to get an idea of what this race appears like.

Many people like to be creative in their physical features. It is perfectly okay to do this as it adds variation and personality to your character.
