Explanation: The Dragon-BallX is a ball and chain devised for directly dealing with dragon-kind. The following are the abilities this Oracle weapon has:

1. x3 damage vs. dragon-kind.
2. Silverleighen material: Because this Oracle weapon is made of Silverleighen-steel, it can harm all Lykkinnin.
3. Ghost-Globe: The globes follow the main path of the weapon. On a successful strike, these orbs will each strike their target as well, causing up to the damage dealt by the main ball.

Example: I cause 60 points of damage upon an enemy I strike. I will then roll damages for 3 more strikes (60 being the top damage I can cause).
