

Potions, Explanation of: Time-Shift

Area of Effect: Everything in the plane or dimension you are in, but the drinker of the potion.

Avoidance-roll: None. Ability-Resistance can be checked for to see if this powerful magic can be resisted.

Doses: 1-D4

Damage: None.

Duration: Instant.

Effect time: Instant.

Explanation: This potion will take back time 5 minutes (60 turns), undoing even death. The imbiber of the potion will see all events rewinding; going backwards . . . and then begin to play out again as before, thus enabling the one who used the Time-Shift potion to change the events that will soon come to pass.

See: "Special"
